

*NOAA/ Coastal Response Research Center Workshop
“Research & Development Needs For
Making Decisions Regarding Dispersing Oil”*

September 20-21, 2005
University of New Hampshire
320 Gregg Hall
35 Colovos Road
Durham, NH

| | | |
|----------------------------|----------------------|---|
| Monday, September 19, 2005 | Arrival and Check In | Three Chimneys Inn Hotel New Hampshire New England Center |
|----------------------------|----------------------|---|

Tuesday, September 20, 2005

Shuttle from Hotels to Gregg Hall (See schedule)

| | | |
|------------------|---|--|
| 7:30 am | Continental Breakfast (Room 320) | |
| 8:30 am | Greetings & Attendee Introductions | <i>Nancy Kinner, CRRC/UNH</i> |
| 8:40 am | Welcoming Remarks From UNH | <i>John Aber, UNH VP Research</i> |
| 8:45 am | Introductory Remarks From NOAA | <i>Scott Rayder, NOAA</i> |
| 9:00 am | Overview of NRC Report on Efficacy and Effects of Oil Spill Dispersants | <i>Dan Walker, NAS</i> |
| 9:30 am | Background on this Workshop and the Dispersants Integrated Research Plan Working Group | <i>Carol-Ann Manen, CRRC/NOAA</i> |
| 10:00 am | Coffee Break | |
| 10:15 am | Introduction of Six R&D Categories and How They Support Dispersant Use Decision Making; Setting the Stage for the Workshop: Goals, Methods, Parallel Breakout Groups, Role of Group Facilitators and Note Takers, Further Opportunities for Input | <i>Jacqui Michel, Facilitator</i> |
| 11:15am -12:45pm | Lunch (on your own) See map of area eateries | |
| 12:45 pm | Discuss & Identify R&D Needs: Effects Groups A&B: Fate of Oil & Dispersed Oil in the Water Column & Other Habitats Effectiveness Groups A&B: Chemical Parameters that Influence Overall Effectiveness | <i>Breakout Group Facilitators Note Takers</i> |

Coastal Response Research Center, Gregg Hall
University of New Hampshire
603.862.1545

*NOAA/ Coastal Response Research Center Workshop
“Research & Development Needs For
Making Decisions Regarding Dispersing Oil”*

(Coffee available outside Room 320)

| | | |
|---------|---|-----------------------------------|
| 3:00 pm | Reconvene For Discussion, Clarification and Breakout Group Reporting to Full Group on First Discussion Topics | <i>Jacqui Michel, Facilitator</i> |
| 4:15 pm | Shuttle from Gregg Hall to Hotels | |
| 5:00 pm | Shuttle from Hotels to Group Dinner | <i>Seacoast Science Center</i> |

Wednesday, September 21, 2005

Shuttle from Hotels to Gregg (See schedule)

| | | |
|-----------------|---|--|
| 7:30 am | Continental Breakfast (Room 320) | |
| 8:30 am | Discuss and Identify R&D Needs: Effects Groups A&B: Realistic Exposure Regimes/Toxicity Testing Effectiveness Groups A&B: Operational & Hydrodynamic Parameters that Influence Overall Effectiveness | <i>Breakout Group Facilitators Note Takers</i> |
| 10:30 am | Coffee Break | |
| 10:45 am | Reconvene for Discussion, Clarification and Breakout Group Reporting to Full Group on Second Discussion Topics | <i>Jacqui Michel, Facilitator</i> |
| 12:00 – 1:30 pm | Lunch (on your own) | |
| 1:30 pm | Discuss and Identify R&D Needs: Effects Groups A&B: Integration to Make Short & Long Term Prediction of Effects Effectiveness Groups A&B: Modeling Integration of Chemical, Operational & Hydrodynamic Parameters | <i>Breakout Group Facilitators Note Takers</i> |
| | <i>(Coffee available outside Room 320)</i> | |
| 3:30 pm | Reconvene For Discussion, Clarification and Breakout Group Reporting to Full Group Third Discussion Topics | <i>Jacqui Michel, Facilitator</i> |
| 4:30 pm | General Discussion and Closing | <i>Jacqui Michel, Facilitator</i> |
| 5:30 pm | Shuttle from Gregg Hall to Hotels | |
